CELEBRATING WORLD ANIMAL AND SMILE  
DAY ON OCT 4.

Smile is a free therapy.

Smile is the beauty of the soul.

A smile a day keeps the pain away...

Always be happy and wear a smile, not because life is full of reasons to smile but because your smile is a reason for many others to smile.

The greatest gift an animal has to offer is a permanent reminder of who we really are.

Without animals, there would be no humanity, In a world of just people, people will mean nothing.

We can judge the heart of a man by his treatment of animals.

"An animal's eyes have the power to speak a great language"

"A dog or cat does not care if you are rich or poor, educated or illiterate, clever or dull.
